Mountain Views, Space to Spread Out, and Just 1.2 Miles to Downtown Asheville Wake up to mountain views and be downtown in minutes. This low-maintenance home pairs easy living with an unbeatable location, just 1.2 miles from the shops, restaurants, and music of downtown Asheville. The main level is made for easy everyday living. A large, open living room, dining area, and kitchen flow together naturally, ideal for entertaining or relaxed evenings at home. The primary suite has its own ensuite bath, and two additional bedrooms offer flexibility for guests, a home office, or hobbies. Step out to the upper back deck and take in the mountain views. Downstairs, the lower level adds even more room: a bedroom, a full bath, and a large living area with a kitchenette. It works well as a guest suite, media room, or private retreat, and it opens to its own large back deck. Bottom level can easily be rented out separately. Vinyl siding and natural landscaping keep upkeep to a minimum, so you can spend your time enjoying Asheville instead of maintaining the yard.
